ASSOCIATE COURSE

ASSOCIATE COURSE

A GUIDANCE COURSE FOR EXCEPTIONALLY TALENTED DANCE PERFORMERS

The Associates Training Course was established in 2012. Classes take place in Moorland School's dance studio in Clitheroe, which is the home of Moorland International Ballet Academy.

The Associate Course provides non-syllabus masterclasses for boys and girls aged from 8 years.

The aim is to provide an opportunity for like-minded children to meet and share their passion.

The course has been created to complement the student's current training enabling them to continue to study with their regular dance teacher whilst experiencing an insight into Vocational training.

Classes are held on Saturdays or Sundays during term time. Students study Classical Ballet, Classical Ballet Repertoire, Contemporary dance, Drama and Character dance. Classes focus on technique, music, artistry and performance skills.

Entry onto the course is by audition.

Applications

Places are limited to 16 students and therefore application forms should be submitted by April of that year for commencement in September of the next academic year.

Acknowledgement of receipt and confirmation of a place will be sent by email.

Age Groups

Pre-Junior Level 0 Ages 8-10 School Years 4-6

Junior Level 1 Ages 11-12 School Years 7-8

Senior Level 2 Ages 13-14 School Years 9-10

Why study with Moorland Ballet Academy?

As a part of Moorland Private School, Moorland Ballet Academy is able to offer students a truly unique range of opportunities including a comprehensive boarding package.

We ensure we deliver a programme that combines a first-class education with unrivalled ballet coaching and tutelage of the highest level within excellent facilities.

The Moorland Ballet Academy is housed within one campus, which is nestled amidst beautiful rural grounds in the small market town of Clitheroe, Lancashire.

This safe haven provides safety, security, modern facilities, spacious learning areas as well as a genuinely homely feel. Our students are all able to focus on their studies and their development, free of the distractions of urban noise and other disturbances.
