

NEW STAFF INTRODUCTION - HELEN THOMPSON - SENDCo, TEACHING & LEARNING

A note from Helen:

I am delighted to be starting my new role at Moorland School on the Senior Leadership team as SENDCo, with responsibility for Teaching and Learning.

I was born and raised in Accrington into a family of teachers and careers in the Arts. Developing my calling as a teacher was a natural progression, I undertook my teaching degree in Art & Design. My teaching career has spanned over eighteen years. Throughout these years I have taken on additional responsibilities from PSHE co-ordinator to exam moderating in the North West for GCSE Art & Design.

My previous role was Director of Studies at Moorland's sister school Heathland, my main responsibilities included monitoring Teaching and Learning along with ensuring effective and progressive implementation of SEND provision.

I am experienced in working with pupils on a one-to-one basis and through observation, reflection and implementation of specific strategies, enabling every child to access the curriculum by identifying their individual needs and adapting teaching methods accordingly.

I look forward to working with parents and pupils by supporting both academically and emotionally, throughout their educational journey at Moorland School.
