

SAFEGUARDING AND CHILD PROTECTION POLICY

**This Policy includes EYFS,
the Junior School ('Woodlands') and Senior School, including Boarders**

The purpose of this safeguarding policy is to ensure every child who is a registered pupil at our school is safe and protected from harm. This means we will always work to:

- Prevent impairment of our children's and young people's health or development;
- Ensure that children and young people at our school grow up in circumstances consistent with the provision of safe and effective care;
- Undertake that role so as to enable children at our school to have the best outcomes.

This policy will give clear direction to staff, volunteers, visitors and parents about expectations and our legal responsibility to safeguard and promote the welfare of all children at our school.

Our school fully recognises the contribution it can make to protect children from harm and to support and promote the welfare of all children who are registered pupils at our school. This policy applies to all pupils, staff, parents, volunteers and visitors.

<p>What to do if a child discloses that they have been abused</p>	<p>Disclosures or information may be received from pupils, parents or other members of the public. The school recognises that those who disclose may do so without difficulty. All staff will handle disclosures with sensitivity. Such information cannot remain confidential and staff will immediately communicate what they have been told to the DSL and make a record using the 'pink form' – Safeguarding, Pupil Wellbeing Concern.</p> <p>It is not easy for children to disclose information about abuse. If they do talk to you, it is because they trust you and feel that you will be able to do something to help:</p> <p>LISTEN sensitively; take what is said seriously; DO NOT promise confidentiality. Explain this in a positive way. You can say 'I can't promise you confidentiality but I can promise you that we will talk about what happens next' or 'I may need to pass on what you tell me but I promise I will tell you what I am going to do and why'.</p> <p>Try to ensure that the person disclosing does not have to speak to another member of school staff. You could suggest that they continue the disclosure with the DSL. You should not investigate; only seek to clarify the situation. Allow them to speak freely. Try to keep questions to a minimum. Ask open, not leading questions e.g. "Can you tell me what happened?" rather than "Did x hit you?"</p> <p>REASSURE and support the child that the school will do everything in its power to help. Remain calm. Offer verbal comfort. Try not to show signs of shock, horror or surprise and not to express feelings or make judgements regarding any person alleged to have harmed the child. At an appropriate point explain sensitively what will happen next and that only those who 'need to know' will be told and that you have the responsibility to refer this information to the DSL. Offer to go with them.</p> <p>REPORT to the DSL who will explain what happens next. Do not discuss the situation with anyone other than a designated person.</p> <p>RECORD the following information objectively as soon as possible, sign and date it and mark it private and confidential before giving to the DSL.</p>

	<p>Use a Safeguarding Concern form if one is to hand, otherwise record the information on anything that is to hand. It is more important that you do this as quickly as possible after the conversation with the child. Do not break off from talking to them to retrieve a form and complete it whilst they are talking to you. You should record:</p> <ul style="list-style-type: none"> • What the child has said, including what happened and where • What you said in reply • Where you were and what was happening immediately beforehand • Any relevant dates and times • Where any injury is sited and what it looks like (use a bodymap form if required) • Anyone else who was present.
<p>Child in Need</p>	<p>Moorland School is committed to ensuring the appropriate level of support is offered to a "Child in Need" and their family. We therefore ensure that:</p> <ul style="list-style-type: none"> • <i>DSLs will make a Section 17 referral to Children's Social Care where Early Help has not been successful in reducing risk and meeting unmet needs using Lancashire Continuum of Need and Thresholds Guidance and CSC referral form</i> • <i>DSLs will make a Section 17 referral to Children's Social Care where there is evidence that the Level 3 threshold has been met on the Continuum of Need</i> • <i>this will be determined and assessed by the DSL using the Lancashire Continuum of Need and Thresholds Guidance and the Risk Management Toolkit</i> • <i>DSLs will obtain parental consent for the referral and for information to be shared, prior to contacting Children's Social Care</i> • <i>when consent is not given, DSLs will continue to offer Early Help with consent, gather evidence of engagement or lack thereof, disguised compliance, impact on the child, increase in risk or level of unmet need, improvements or deteriorations</i> • <i>DSLs will review such cases regularly and assess whether there is evidence that meets Level 4 threshold on the Continuum of Need. In such cases Child Protection Procedures will be followed</i> • <i>DSLs, or other appropriate member of staff, will contribute to Child in Need Meetings and Reviews</i> • <i>DSLs, or other appropriate member of staff, will attend CiN meetings, produce and present reports, liaise with staff, work with parents, work with other agencies and ensure the voice of the child is evidenced throughout these processes</i> • <i>DSLs will meet regularly to ensure that decisions made about children who are subjects of CiN Plans are agreed and a clear rationale for the decision is documented</i> • <i>a copy of the child's CiN Plan is included in the child's individual safeguarding file</i>
<p>Early Help</p>	<p>Moorland School is committed to providing our families with the right help at the right time. Any child may benefit from early help, but all school staff should be particularly alert to the potential need for early help for a child who:</p> <ul style="list-style-type: none"> • <i>is disabled and has specific additional needs;</i> • <i>has special educational needs (whether or not they have a statutory education, health and care plan);</i> • <i>is a young carer;</i> • <i>is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups;</i> • <i>is frequently missing/goes missing from care or from home;</i>

	<ul style="list-style-type: none"> • <i>is misusing drugs or alcohol themselves;</i> • <i>Is at risk of modern slavery, trafficking or exploitation;</i> • <i>is in a family circumstance presenting challenges for the child, such as substance abuse, adult mental health problems or domestic abuse;</i> • <i>has returned home to their family from care;</i> • <i>is showing early signs of abuse and/or neglect;</i> • <i>is at risk of being radicalised or exploited;</i> • <i>is a privately fostered child.</i> <p>We therefore ensure that:</p> <ul style="list-style-type: none"> • <i>ALL staff and volunteers can identify the risk factors that indicate a family or pupil may benefit from Early Help</i> • <i>ALL staff and volunteers will use the school's agreed format for letting the DSL know about Early Help requirements</i> • <i>DSLs will undertake a CAF assessment, when appropriate, to identify what Early Help is required</i> • <i>DSLs will signpost and refer to appropriate support agencies</i> • <i>DSLs will lead on TAF meetings where is it appropriate for them to do so</i> • <i>DSLs will refer to CSC where Early Help has not been successful in reducing risk and meeting unmet needs using Lancashire Continuum of Need and Thresholds Guidance and CSC referral form</i> • <i>DSLs will utilise Children and Family Wellbeing Service using the Request for Support form</i> • <i>DSLs and other identified staff will identify and work with any organisations that are relevant in meeting the needs of pupils and their families</i> • <i>DSLs and other identified staff will initiate and maintain positive and supportive relationships with parents and carers of children who may benefit from Early Help</i> • <i>DSLs will generally be the lead for Early Help cases</i>
<p>Specific Safeguarding</p>	<p>Moorland School is committed to keeping our children safe from specific forms of abuse. We therefore ensure that:</p> <p><i>ALL staff and volunteers understand that there are specific and emerging ways in which children can be abused, such as:</i></p> <p><u>Radicalisation</u> <i>refers to the process by which a person comes to support terrorism and forms of extremism, there is no single way of identifying an individual who is likely to be susceptible to an extremist ideology.</i></p> <ul style="list-style-type: none"> • <i>ALL staff and volunteers will have 'due regard to the need to prevent people from being drawn into terrorism', known as the 'Prevent Duty'</i> • <i>ALL staff and volunteers will have a general understanding of how to identify a child who may be at risk of radicalisation</i> • <i>ALL staff and volunteers will use professional judgement in identifying children who might be at risk of radicalisation and act proportionately</i> • <i>The school Online Safety Policy (ICT and Acceptable Use) will ensure the safety of children by ensuring they cannot access terrorist and extremist material when using the internet and that suitable filtering software is in place</i>

- DSLs understand when it is appropriate to make a referral to the Channel Panel

Child Sexual Exploitation (CSE) involves exploitative situations, contexts and relationships where young people may receive something (e.g. food, accommodation, drugs, alcohol, gifts or simply affection) as a result of engaging in sexual activities. The perpetrator will not only groom the victim (possibly over a long period of time) but will always hold some kind of power which increases as the exploitative relationship develops. Sexual exploitation involves a degree of coercion, intimidation or enticement, including unwanted pressures from peers to have sex, sexual bullying including on line bullying (cyberbullying) and grooming. It is important to recognise that some young people who are being sexually exploited do not exhibit any external signs of this abuse.

- The school curriculum (whereby sexual relationships/PSHE is delivered) will include relevant information around the risks associated with CSE
- The school ICT & Acceptable Use Policy will ensure the safety of children by ensuring they cannot access inappropriate material when using the internet and that suitable filtering software is in place

Honour Based Violence (HBV) 'A crime or incident, which has or may have been committed, to protect or defend the honour of the family and/or community'. (ACPO Working Definition 2008) ALL staff and volunteers will have a general understanding of how to identify a child who may be at risk of Honour Based Violence.

Forced Marriage is one whereby one or both parties do not consent to marriage but are forced to do so through violence, threats or any form of coercion. Schools play an important role in safeguarding children from being forced to marry.

Female Genital Mutilation (FGM) is encompassed within the term Honour Based Violence

- ALL staff and volunteers are aware of the "one chance rule" and will report all cases of suspected Honour Based Violence to the DSL immediately
- FGM is illegal in the UK and a form of child abuse with long-lasting harmful consequences
- ALL staff need to be alert to the possibility of when a female pupil may be at risk of FGM or when it may have been conducted on them
- Whilst all staff should speak to the designated safeguarding lead (or deputy) with regard to any concerns about female genital mutilation (FGM), there is a specific **legal** duty on **teachers**. If a **teacher**, in the course of their work in the profession, discovers that an act of FGM appears to have been carried out on a girl under the age of 18, the teacher **must** report this to the police.

Modern Slavery The Modern Slavery Act 2015 places a new statutory duty on public authorities, including schools, to notify the National Crime Agency (NCA) (section 52 of the Act) on observing signs or receiving intelligence relating to modern slavery. The public authority (including schools) bears this obligation where it has 'reasonable grounds to believe that a person may be a victim of slavery or human trafficking'.

- Staff must be aware of the above and contact the DSL should they suspect or receive information that either parents or their children may be victims of modern slavery. The DSL should then contact the NCA

Peer on Peer Abuse occurs when a young person is exploited, bullied and / or harmed by their peers who are the same or similar age; everyone directly involved in peer on peer abuse is under the age of 18.

This is most likely to include, but may not be limited to:

- bullying (including cyberbullying);
 - physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm;
 - sexual violence and sexual harassment;
 - sexting (also known as youth produced sexual imagery); and
 - initiation/hazing type violence and rituals.
 - upskirting, which typically involves taking a picture under a person's clothing without them knowing, with the intention of viewing their genitals or buttocks to obtain sexual gratification, or cause the victim humiliation, distress or alarm.
- ALL staff and volunteers understand that children can abuse other children
 - ALL staff and volunteers will inform the DSL of suspected peer abuse and record in line with schools recording policy
 - Peer on peer abuse will be taken as seriously as any other form of abuse
 - All staff understand that abuse is abuse and should never be tolerated or passed off as "banter", "just having a laugh" or "part of growing up.
 - All staff will be aware of the gendered nature of peer on peer abuse (i.e. that it is more likely that girls will be victims and boys perpetrators), but that all peer on peer abuse is unacceptable and will be taken seriously.
 - All staff will understand that pupils with SEND are more prone to peer group isolation and school will have extra pastoral support to address this.
 - All staff will understand that boarding pupils and those who are part of the ballet or football academy programmes are potentially more vulnerable groups and particular attention will be given to these groups.
 - Physical abuse between peers will be managed under the school's Building Better Behaviour Policy.
 - Emotional abuse between peers will be managed under the school's Anti-Bullying Policy
 - Harmful sexual behaviour will be identified and managed using the Brook Traffic Light Tool and with support and guidance from LCC Schools Safeguarding Officer

 - In cases of suspected or actual peer on peer abuse a risk assessment will be undertaken and appropriate and proportionate control measures put in place to manage and reduce risk. Seek advice from LCC Schools Safeguarding Officer
 - Referrals to Children's Social Care, Police and/or other appropriate agencies will be made where thresholds are met
 - DSLs understand that regarding peer on peer abuse, the victim and the perpetrator are likely to have unmet needs and require support and assessment to determine these.

- *The DSL will assess on a case-by-case basis, supported by children’s social care and the police if required to ensure the most appropriate response for the children / young people involved.*
- *The DSL will consider:*
 - *the wishes of the victim in terms of how they want to proceed*
 - *the nature of the alleged incident*
 - *the ages of the children involved*
 - *the development stages of the children involved*
 - *any power imbalance between the children*
 - *is the incident a one-off or a sustained pattern of abuse*
 - *are there ongoing risks to the victim, other children, school or college staff*
 - *contextual safeguarding issues*

Following a report of sexual violence, the designated safeguarding lead (or deputy) will make an immediate risk and needs assessment, considering:

- *the victim*
- *the alleged perpetrator*
- *all other children (and if appropriate adult students and staff).*

Risk assessments will be recorded and kept under review as a minimum termly.

Children Missing from Education *can be a potential sign of abuse or neglect including sexual exploitation, undergoing female genital mutilation, forced marriage or travelling to conflict zones.*

- *ALL staff and volunteers follow school procedures when a child misses education particularly on repeat occasions to help identify the risk of abuse and neglect*
- *The school [Attendance Policy](#) is up to date, reviewed annually and includes reference to CME*
- *There is an admissions policy and an attendance register*
- *The Local Authority is informed of any pupil who fails to attend school regularly, or has been absent without the school’s permission for a continuous period of 10 school days or more*
- ***where reasonably possible*** *schools and colleges should hold more than one emergency contact number for their pupils and students.*
- *All staff will be aware that children going missing from education can be a warning sign of safeguarding considerations and act on these in line with the policy*

Actions where there are concerns about a child

(1) In cases which also involve a concern or an allegation of abuse against a staff member, see Part four of this guidance.

(2) Early help means providing support as soon as a problem emerges at any point in a child's life. Where a child would benefit from co-ordinated early help, an early help inter-agency assessment should be arranged. Chapter one of [Working Together to Safeguard Children](#) provides detailed guidance on the early help process.

(3) Referrals should follow the process set out in the local threshold document and local protocol for assessment. Chapter one of [Working Together to Safeguard Children](#).

(4) Under the Children Act 1989, local authorities are required to provide services for children in need for the purposes of safeguarding and promoting their welfare. Children in need may be assessed under section 17 of the Children Act 1989. Under section 47 of the Children Act 1989, where a local authority has reasonable cause to suspect that a child is suffering or likely to suffer significant harm, it has a duty to make enquiries to decide whether to take action to safeguard or promote the child's welfare. Full details are in Chapter one of [Working Together to Safeguard Children](#).

(5) This could include applying for an Emergency Protection Order (EPO).
